

# GULFPORT IS AGAIN BEATEN BY PENSACOLA

BOTH KELLY AND ANTLEY PITCH FINE BALL, LOCALS WINNING BY SCORE OF 3 TO 2

Pensacola took the second game of the series with Gulfport yesterday by a score of 3 to 2. With Kelly in the rifle pit for the locals, and working one of his good games, Gulfport can consider themselves lucky to score.

Antley, who was a pitcher for Pensacola last year, was on the mound for the visitors, but his jinx of old still pursued him and as usual his team came out on the wrong end of the score. He pitched a good game, however, and would have won in nine cases out of ten.

Pensacola won the game in the sixth inning. Folmer opened by popping to Antley, and that kindly dropped the pill. Hauser hit to third, who tried for Folmer at second and both runners were safe when Folmer sat the throw. Gordon batted and Griffin fouled to catcher, but Haley stroled, filling the cushions. Coombs, at the proper moment for the home team's standpoint, permitted one of Antley's curves to get away from him. Folmer scoring and the other runners advancing a base. Sanchez rolled to short, but the first baseman muffed the throw and both Hauser and Folmer tallied. Kelly ended it, ballooning to right.

Gulfport made a game effort to tie up the game in the eighth, but their rally fell one short. Murphy opened with a hit to center. Hildebrand hit to Kelly who threw to Graham, but Graham dropped the throw, all hands being safe. Antley hit to center, scoring Murphy. Hildebrand taking third. LeBaron lined over Graham's bean, but Joseph made a phenomenal catch, doubling Antley off second. Coombs grounded to Graham who booted and Hildebrand scored, but Pelham ended it with a pop to Gordon.

The features were Ballinger's catch of Hauser's long fly in the second and Graham's stab of LeBaron's liner in the eighth, both being of the sensational order. The score:

## GOOD GAMES IN THE TWILIGHT

## SCHEDULE OF THE WEEK SHOULD PROVE INTERESTING AND MAY DECIDE THE RACE.

This week's schedule should prove unusually interesting, for every game promises to be a good one. The season is approaching its last week, and the result of the games this week will practically decide the winners. The Fuerst & Kraemers have the best look in at present, although the Whitmans will give them a close race. The Alagas have shown good form during the last week and Monday's game will be a good one, as they meet the Whitmans, who are in second place. Tuesday the Carwicos meet the Fuerst & Kraemers. The two teams have always played first class ball against each other. Thursday the Whitmans cross bats with the Fuerst & Kraemers. This may prove to be the deciding game of the season. Unusual interest is being manifested in its outcome.

## A Word About Greases

Pay attention to the ball and roller bearings of your car, especially after laying it up for a time.

Polarine Fibre Grease and Polarine Cup Grease are the best greases on the market. Cheap oils and greases do more to depreciate the value of a car than actual service.

It is free from carbon, holds compression, and reduces friction and wear to the lowest possible point.

## FAIR MANAGER BEGINS WEST FLORIDA TRIP

N. J. LILLARD AND TWO NEWS-PAPER MEN LEAVE ON EARLY TRAIN MONDAY MORNING FOR VARIOUS TOWNS IN THE INTEREST OF THE 1912 FAIR.

Accompanied by two newspaper men, General Manager Lillard, of the Interstate Fair Association, leaves tomorrow morning on the early train to begin his trip through West Florida in the interest of the fair of 1912, and, judging from the very encouraging letters which have been received by him from the points he intends visiting, a splendid trip is in store for him and the success of it is already assured.

Mr. Lillard will visit a number of the leading towns of West Florida and will discuss with the citizens of the county the subjects of agricultural exhibits, county, community and individual. A number of the counties he will visit have already signified their intention of entering county exhibits in this department and Mr. Lillard hopes to arouse enough interest in the other counties to induce them to send exhibits also.

Mr. Lillard will deliver a number of addresses during the two weeks he is away and has already received assurances of co-operation on the part of leading citizens in all of the communities he will visit.

While away Mr. Lillard will also attend the meeting of the West Florida Press Association, which convenes in Cottondale, August 9 and 10.

The itinerary will be as follows: Milton, Monday, Aug. 5; DeFuniak Springs, Tuesday, Aug. 6; Bonifay, Wednesday, Aug. 7; Chipley, Thursday, Aug. 8; Cottondale, Friday and Saturday, Aug. 9 and 10; Marianna, Monday and Tuesday, Aug. 12 and 13; Laurel Hill, Wednesday, Aug. 14; Baker, Thursday, Aug. 15.

During the absence of Mr. Lillard the office of the association will be kept open and the affairs of the office will be looked after by the assistant secretary.

## WILL HANDLE FREIGHT BILLS IN NEW ORLEANS

MERCHANTS RAILWAY CLAIMS AGENCY HAS MADE CONTRACT WITH PENSACOLA COMMERCIAL ASSOCIATION.

Sam O. Smith, vice-president of the Merchants Railway Claim Agency of New Orleans, was in Pensacola yesterday and made a contract with the Commercial Association to receive and audit freight bills for the members of the association.

This arrangement will probably be appreciated by the members who have unsatisfactory service in their freight shipments. For some time the association has been doing this work for the members in the local office, but it was thought that it could be better handled for all concerned by letting the New Orleans concern handle it.

## GO IN BAY TO ESCAPE ARREST

POLICE RAIDED BIG CRAP GAME ON PALAFOX WHARF, IN WHICH AT LEAST 75 WERE SAID TO HAVE BEEN ENGAGED.

One great big, fine, high-rolling crap game was ruthlessly broken up yesterday evening about 6:30 o'clock, when Officers Simpson, Burke, Shelby and Harper surprised a crowd of negroes on Palafox street wharf engaged in trying their skill with the square "bones" and a deck of cards, all of which are now at the police station as evidence in the case. Eleven of them were arrested, although the officers say there were no less than seventy-five in the crowd.

As soon as the officers were seen approaching the negroes began to scatter, according to the officers, some of them going overboard.
